Dear Prospective Sponsor,

Gulf Coast Charter Academy South is a non-profit, K-8, public Charter School specializing in STEM Education. The school is conveniently located in beautiful Naples, Florida, and serves a diverse student population. Through our rigorous academic and STEM-based learning model, Gulf Coast Charter Academy South has provided students with a high-quality education and created a supportive and inclusive learning environment where students feel empowered.

Gulf Coast Charter Academy South would like to offer local businesses the opportunity to participate in our banner sponsorship program. Your 6' x 3' banner will be displayed on our chain-link fence that surrounds our turf field and playground. You will have the opportunity to renew your banner annually so that it will continue to be on display.

GCCAS greatly appreciates your consideration of our sponsorship program. With your help, we will continue to impact the lives of our students by providing them with additional resources to flourish academically. Sponsorships in organizations, such as ours, demonstrate your support and dedication to the community in which your business resides.

Sponsorship is easy! Simply fill out our Banner Sponsorship Form and send it with your payment to the address provided. We also need you to provide us with a PDF version of your banner artwork or pay an additional \$30 set-up fee and we will create your banner for you.
