Gulf Coast Charter Academy South

Gulf Coast Charter Academy South (GCCAS) emphasizes academic achievement and STEM education whilst supporting English Language Learners, promoting physical fitness, fostering creativity, and ensuring a safe learning environment.

GCCAS aims to instill a sense of pride in academic achievement among all of its students. We are committed to celebrating and promoting success in education. We provide resources and strategies to help students who are learning English as a second language.

The goal is to achieve higher student learning outcomes, indicating a commitment to academic excellence and a focus on continually improving the quality of education provided. We are committed to offering STEM (Science, Technology, Engineering, and Mathematics) learning opportunities. Our curriculum integrates these subjects to prepare students for future careers in STEM fields.

Gulf Coast Charter Academy South aims to nurture students' creative abilities. This indicates a focus on fostering creativity and critical thinking, which are important skills for success in various aspects of life.

Finally, GCCAS strives to provide students with a safe and orderly school environment. This emphasis on safety and orderliness is essential for creating a conducive learning atmosphere.
